*We are the only family shelter in Dakota County. We envision a community where every family can access the resources, opportunities, and support needed to thrive in permanent, sustainable housing.*

# OUR 2024 IMPACT

## PROGRAMS WE OFFER

**Our mission is to empower displaced families  
on their journey to independence.**

### **Temporary Shelter and Stability:**

We provide clients shelter and safety while supplying nutritious meals, basic necessities, and trauma-informed whole-person support.

### **Case Management and Resource Connections:**

We work with clients to set personalized goals, create plans, and connect with vital resources. We partner with local organizations to provide our clients with a broad network of services.

### **Housing Support and Resources:**

We support clients in securing stable housing and navigating the challenges of long-term housing solutions.

### **Life Skills Education and Career Development Workshops:**

We partner with clients to teach practical skills for managing daily life and preparing for independence. We provide resources and training for employment opportunities and career advancement.

### **Counseling Services:**

We partner with local mental health professionals to offer emotional and mental health support to help clients overcome challenges and build resilience.

### **Parenting and Financial Literacy Education:**

We strengthen families through parenting education workshops and equip clients with the knowledge to manage their finances and achieve financial independence.

### **Childcare Services:**

We support parents by caring for children as they work, attend school, attend medical appointments, or participate in programs.
